A meeting of the Policy Committee was held on June 6, 2018 at 4:00 p.m. The meeting was called to order with the following members present: Ron Frye, Jason Eltrevoog and Cory Yandell. Also present: Jim Carlson and Marty Voiles

A. Public Comment

There was no public comment.

B. Parking

Dr. Carlson reviewed a plan for implementing parking passes for the students. A discussion was held on the advantages and disadvantages of using parking passes. The Committee will support issuing parking passes to students.

C. Expansion of Drug Testing

Dr. Carlson discussed expanding the random drug testing policy to include students that drive to school. After discussion, the Committee indicated further discussion would be needed and it is not a recommendation at this time.

D. Prom/Homecoming

Dr. Carlson stated there were a few issues to proper dress at Prom and Homecoming. A few male students did not dress up as would be appropriate for such occasions. A discussion was held on requiring a dress shirt or polo for homecoming and a button down collar dress shirt for Prom. There was no objections to implementing this expectation for the male students.

E. Concealed Carry Resolution

Dr. Carlson reviewed the resolution provided to the Board at a previous board meeting. The Committee felt since every district was being approached on the concealed carry, other districts could advocate for the position since our emphasis is on the SRO. The recommendation will be not to adopt the resolution.

F. Hall of Fame/Naming Dick Steep

Dr. Carlson stated he was approached by a community member to allow honoring Dick Steep in some way for his service to the football program when it was first started. The Committee is recommending that Ron Frye and Dr. Carlson form a committee to set up procedures that follow the School Board Policy 4:150; Naming Building and Facilities. A discussion was also held about starting a Hall of Fame.
