**\*In order to be considered for remote instruction, this form must be submitted on or before**

**December 30, 2020**

In light of the COVID-19 pandemic, the District has developed a full-time remote learning option for all students. Information about the District’s Revised 2020-21 Education Plan, including full-time remote learning plan has been shared with parents/guardians and may be accessed on the district website at [www.senecahs.org](http://www.senecahs.org). Any instructional days for approved full-time remote learning instruction will count as regular attendance days for the student. All approved requests for full-time remote instruction will apply for the duration of the semester, **without the option to request to transition to in-person instruction until the next semester.**

I, Parent/Guardian of the above-named student, acknowledge that I have reviewed the District’s full-time remote learning plan for spring 2021 and I request full-time remote learning instruction for my student for the entire spring semester of the 2020/2021 school year because I do not wish my student to attend school in-person due to the COVID-19 pandemic.

Please return this completed form to the Marty Voiles, Principal. The District will review the information submitted and contact you regarding fall instruction, or for any additional information required to process this request.
