7. Total Percentage of COVID + and Quarantined Students and Staff	0.44	+0.00%

The district continues to promote adherence to the CDC and IDPH recommendations as well as prevention guidance and mitigation strategies to the greatest extent possible. The district also continues to comply with Executive Order #22 mandated by Governor JB Pritzker on universal masking of all students, staff, and visitors within Seneca High School. The current mitigation strategies include universal masking, social distancing of 3 feet or more, promoting hand washing etiquette, increased deep sanitation cleaning, as well as increased HVAC clean air return ventilation. As always, if a student or staff member is symptomatic, please STAY HOME, contact the main office and your local health care provider for medical advice.

Thank you,

Dan Stecken

Superintendent

Seneca Township High School District 160
